

MEMBER CONTRIBUTION MODEL

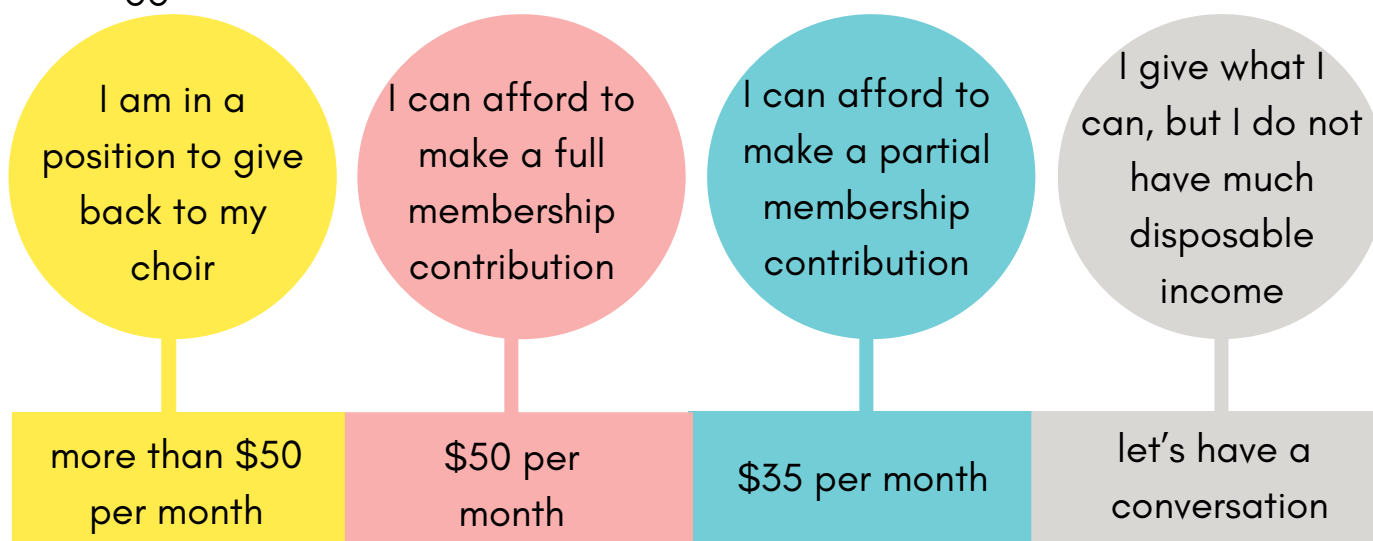

Your contribution is **not** a payment for a specific number of choir sessions. It's a **tax deductible donation** that helps keep your choir sustainable and inclusive. Your contribution also helps support our entire choir network with thousands of people singing together every week across the country!

CARD VS. CASH

Help us help our volunteers! One simple way you can support them is by **saving them time**. Whenever possible, please consider donating through our **membership portal** by setting up a **monthly card payment** or **bank transfer**. If you donate in cash, a volunteer has to manually collect, count and travel to deposit it at the bank. Online card payments and bank transfers skip all of that! It's quick, easy and it really helps.

HOW MUCH SHOULD I CONTRIBUTE?

It's important to us that no one misses out on being a choir member due to financial challenges, so we offer a sliding scale of donation options. Our suggested donation amounts:

Our volunteers and head office are here to make choir accessible to everyone, pressure-free. Need to chat with us? Call us on 03 8679 6088 or email withonevoice@creativityaustralia.org.au.
