

# WHERE DO MY MEMBERSHIP DONATIONS GO?

Your membership directly supports our choir and the national *With One Voice* community, ensuring we continue to connect, uplift and create joy through song. This document explains the different ways in which your donations make a difference.

## CHOIR CONDUCTOR

Your **tax deductible donations** help cover your fantastic conductor's fees. This includes time for preparation and facilitation. Our conductors are incredibly experienced musical facilitators and we are committed to ensuring that they're paid fairly for their hard work.

## PROMO & T-SHIRTS

Your membership helps cover the cost of your *With One Voice* t-shirt (yours to keep), postage and promotion. This includes website presence, video projects, social media and advertising. These keep our choir visible and attracting new members.

## INSURANCES & LICENSING

Public liability and volunteer insurance help keep everybody safe, while music licensing ensures we meet our legal obligations and support the songwriters behind the music we all love to sing.

## PAYING IT FORWARD

Did you know we have 25 *With One Voice* choirs running all over Australia? If you are able to give a bit more, your donations directly support members who aren't able to contribute as much. People of all different circumstances attend *With One Voice*, and that's what makes it so special!

## VENUE COSTS

Some of our rehearsal venues charge a hire fee. This may include access to tea and coffee, storage cupboards, chairs, projectors and other facilities.

## HEAD OFFICE SUPPORT

Creativity Australia provides essential support such as membership systems, payment gateways, grant support, accounting and governance – so your choir can focus on singing and connection.
